This bill, if enacted, will expand the Minority Teaching Fellows Program from a maximum participation level of 86 participants to a maximum participation level of 136 participants at any one time.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures of \$250,000 (50 awards at \$5,000 ea. = \$250,000).

In addition, enactment of the bill is estimated to increase state expenditures due to additional administration costs. However, such increase is estimated to be not significant.
